

BROOKINGS STUDENT INNOVATION CENTER

If you're a student who wants to launch and grow your own business, the Brookings Student Innovation Center can help. We've created an environment specifically designed to help student entrepreneurs succeed without the distractions of roommates and coffee shops. Members of the Brookings Student Innovation Center are surrounded by like-minded students, more than 30 Brookings Innovation Center client companies, a staff of consultants, and experienced mentors eager to help develop ideas into profitable businesses. The Student Innovation Center is more than a place to work; it is the first step to becoming a successful entrepreneur.
